

Mission: Blevins is a welcoming learning community of personal and academic growth, where all students belong, achieve, and are prepared for lifelong success.

How Do We Do This?

- **Project-Based Learning:** We believe students learn best through hands-on learning, collaboration, real-world application, and community involvement.
- **Small school, small class sizes:** Here, every student is more than just a name.
- **A diverse student population:** We intentionally teach and implement opportunities for students to develop empathy, open-mindedness, bonding, and championing of others.
- **Integrated Services:** We believe in inclusion! The academic growth for our students with IEPs at Blevins exceeds state and district averages.
- **Gifted & Talented:** Our GT program has a range of enrichment opportunities, community partnerships, and student connections.
- **Extensive elective opportunities:** Our students' schedules provide them with four electives at a time!
- **WEB:** Our 8th grade student leadership team (Where Everybody Belongs) provides ongoing welcoming activities for our 6th grade students.
- **Bruin Club:** We are the only middle school in the area that provides an after school program in the building.
- **6th Grade Summer Program:** This will give early access to get to know the building and its teachers, as well as prepare students for the academic and social transition.
- **Athletics:** We offer the full range of PSD's impressive middle school athletic programs, including teams for 6th grade students. We have two full gyms, an auxiliary gym with a weight room and climbing wall, and a track/football field.

"Blevins is such a welcoming environment and everyone is so open and helpful" -8th Grader

Affective Needs Program

At Blevins, we house one of the district's Affective Needs (A.N.) programs.

What does this mean?

Having this program in our building has contributed to our building culture and philosophy: we work to support students whatever the need may be.

A.N. Teacher

Kris Horn
