

Welcome Incoming Sixth Grade Bruin Families!

We are very excited about you joining us for the 2020-21 school year! Our job is to serve each student and provide them with an outstanding curricular and extra-curricular middle school experience. Our staff respects each of you and provides a safe learning environment where we can build positive relationships. In middle school we balance the academic and social/emotional needs of students on a daily basis. My encouragement to all students is to become involved and experience school pride. I look forward to meeting you!

As you think about your child's transition into middle school, we hope to ease any stress by providing a day to come visit us. All incoming Sixth grade students will travel from their elementary school to Blevins on Friday, May 8, 2020.

Please visit our Blevins website at <https://ble.psdschools.org/> for up-to-date information regarding academics, athletics, student clubs and activities, Blevins Bruin updates and so much more. On Friday August 14<sup>th</sup> we will have a special day with only Sixth grade students to support them with this unique transition.

Blevins is proud to call themselves a neighborhood school where we love kids, work hard, and have fun while doing it!

Warmly,

Melissa Wagner
